Attendance

One of the most important things your child can do to reach the goal of success is also one of the most basic: attend school every day on time! Daily attendance at school is important, any missed day is a missed opportunity to learn. By attending class regularly, your child is more likely to keep up with daily lessons and assignments and take quizzes and tests on time. Research has shown that your child's regular attendance may be the greatest factor influencing his/her academic success.

Restorative practices is a range of community building, peacemaking practices adapted to the school setting. This does not mean there are no consequences for causing harm, but that taking responsibility and restoring harm are a significant part of the process. Restorative inquiry is an essential restorative practice. A series of guiding questions are asked:

- What happened?
- Who was affected/impacted?
- What can be done to make and keep things right?
- How can others support you?

Hill dale Re t rative Center (HRC)

The Hillsdale Restorative Center (HRC) is a safe place on campus where students work with the restorative counselor to focus on resolving conflicts and building a positive school community through learning, dialogue and mutual understanding. The HRC facilitates restorative circles, mediation sessions, and goal setting where students and staff work together to address issues, repair harm, and foster accountability. By promoting empathy and communication, the HRC helps create a supportive environment that encourages personal growth and respectful relationships.

Equity:

Processes are developed to support the reduction of exclusionary discipline to provide our students with equitable access to education. Our work is focused on increasing classroom engagement for every learning style and our capacity for being culturally competent in our instructional practices and inclusive of our diverse learning styles.

During an emergency situation, the school will establish a Family Reunion Area where parents can pick up their children. **Only your parent or their listed in the permanent/emergency record card may pick up a student. They must have identification.**

What happens when a student needs their medication that is kept in the office?

During an emergency situation, students who are still at school at the end of the day (4:30 p.m.) would be released to the San Diego Sheriff's Department. The Sheriff's Department would reunite children with their parents. In the case of a severe disaster/emergency, Hillsdale Middle School will follow the directions of the Cajon Valley Union School District Emergency Operations Plan. All students will be cared for until reunited with their parents or placed in the care of the appropriate emergency agency.
