Week #20 = 20 I-Ready Assignments Completed and Passed by yesterday at 8:59 pm!

I-READY: I-Ready is a district-purchased an online program for mathematics that will help personalize your student's learning and monitor progress throughout the school year. I-Ready consists of two parts: Diagnostic and Personalized Instruction that provides data to increase your student's learning gains.

This year, your student is required to take 3 diagnostic assessments and complete 1 math lesson per week. Every four weeks the I-Ready will be graded and students will earn a score reflective of the number of lessons they have completed to date. *Students who have completed 4/4 by week 4, 8/8 by week 8, 12/12 by week 12, and so on, will be able to participate in P.A.T. (Preferred Activity Time).* Students who have not completed the required lessons will work on I-Ready during that time.
