COMPLETED PROJECTS

Six old portable classrooms were replaced with new, permanent classroom buildings, which include restrooms, and learning support spaces. A new playground was also added. The new buildings were occupied in August 2019.

This new school was constructed adjacent to the original (60-year old) school on the existing 9 acre campus. The

Construction of the final new building was completed in August 2011. This project, which completes the rebuilding of the entire school campus, consists of 20 classrooms, a library, and serving kitchen.

New Clock Systems were installed at Anza, Chase, Fuerte, Hall, Johnson, Madison, Magnolia, Meridian, and Naranca Elementary Schools, as well as, Emerald and Greenfield Middle Schools, and EJE Charter Academy.

Electrical upgrade projects were completed over the Summer 2010 at Chase Elementary, Madison Elementary and Emerald Middle School.

Fencing enhancements were completed at all schools to improve security.

The HVAC replacements were completed each summer at the following sites: Anza, Chase, Crest, Madison, Meridian and Naranca in 2010; Emerald, Flying Hills, Fuerte, Johnson, Magnolia, and Rancho San Diego in 2011; EJE/Cuyamaca in 2012; Vista Grande in 2013; Bostonia and Montgomery in 2016.

COMPLETED PROJECTS (continued)

The Vista Grande modernization project, which included renovation of the existing campus, as well as replacement of four portable classroom buildings with new steel/wood-framed modular classrooms, was substantially completed over the summer of 2012. New porticos and accessible parking improvements were completed over winter break of 2012/2013. Additional remodeling to move the office to the front of the campus, for improved security, was completed in the
